DISTRICT NEWS

BOIS D' ARC MUNICIPAL UTILITY DISTRICT

DISTRICT COLLECTING DONATIONS FOR LOCAL VFD'S

The Board and Staff of the Bois D' Arc Municipal Utility District are pleased to announce our effort to assist all the Volunteer fire departments that serve in our District. Beginning in July 2005, pursuant to Water Rights Statute 13.143, the District will implement as part of its billing process a program under which the utility collects from its customers a voluntary contribution in the amount of \$2.00 on behalf of a volunteer fire department. This contribution will be included in your water bill automatically and forwarded to the Volunteer Fire Department serving your area. It is anticipated these funds will be used for

Should a Water district customer desire not to pay the voluntary contribution, the customer may fill out the form provided and return to our office before the next billing cycle. For the current billing the customer may deduct the amount of the included contribution from their payment. Consult your tax professional regarding the income tax deductibility of the contribution. The following volunteer fire departments will receive funds from the District, Honey Grove VFD, Telephone VFD, North Fannin VFD, Dodd City VFD and Bonham VFD. Amounts collected under this statute are not rates and are not subject to regulatory assessments, late payment penalties, or other utility-related fees, and are not required to be shown in tariffs filed with the regulatory authority. Added by Acts 1997, 75th Legislature, Chapter 409,1, effective May 28, 1997. If you have questions about the volunteer fire department donations please call Monday—Friday 9:00am to 4:00pm

PLEASE COMPLETE FORM ONLY IF YOU DECLINE

**NO, I DO NOT WISH TO MAKE A VOLUNTEER FIRE DEPARTMENT
DONATION IN THE FUTURE. PLEASE TAKE MY ACCOUNT OFF THE LIST.**

Safe Excavation Begins With You!

It's FREE. It's EASY. It's the LAW!

These simple steps may be the most important you ever take:

1. Click here to enter the required information about your excavation at least 2 working days before you dig. You may also use GeoRemote or call 811.

Tell us about your project including location and what is being done, as well as all necessary instructions to make sure the right area gets marked. We accept GPS coordinates if provided along with detailed driving directions.

2. We Notify Member Facility Operators

Texas811 will tell you which facility operators will be notified about your excavation near their underground lines.

We will provide you with a **reference number** that serves as a proof of your call. We also keep a complete record of your call to verify your compliance with the law.

3. The Facility Operators Respond by marking their buried lines or other response.

Facility operators will mark their underground lines, as they determine necessary, and you will be able to work safely without delay. [Marking Examples](#)

4. Your excavation project proceeds safely.

Begin your project knowing that you are utilizing safe excavation practices while preserving vital services, protecting property and saving lives!
